Project successful and in operation today, providing primary care and behavioral health services to elementary-aged children. Contact: Nancy Spencer, Executive Director.

MULTI AGENCY HEALTH PROJECT EXAMPLE

Co-Agency Health Projects

Type: Fund Development

Both in 2005 and in 2009, developed project concepts and acquired funding for community behavioral health services for northeast Michigan agencies, patients, clients and communities, including:

1. *Clinic and Hospital Partnership.* Alcona Health Centers, Thunder Bay Community Health Services, and Alpena Regional Medical Centers combined effort to establish and expand behavioral health care in regional clinics, including the placement of psychiatrists in the community clinic setting. Funding acquired through US Health and Human Services, \$650k for three years.
2. *22 Agency Children's Behavioral Health Outreach.* Facilitated the development of a four component, comprehensive children's behavioral health program, including system of care, parenting education, school-based clinics, and child advocacy program. Funding acquired through WK Kellogg Foundation, \$2.4m, four years grant.
3. *Medical School-Hospital Partnership.* Initiated discussions, meetings and facilitated eventual formal agreement of partnership between Central Michigan University School of Medicine and UofM Mid-Michigan Medical Center creating internship and residency program in rural, isolated northeast Michigan.
